

Anuj Mankar

CEO and Director - Nautilus Mobile

Anuj is CEO and Director of Nautilus Mobile, a Jetsynthesys company and is the creator of the leading award-winning mobile franchise – “Real Cricket” which has racked over 300m downloads worldwide. The popularity of the games also brought in PUBG / BGMI creator Krafton to invest in Nautilus in early 2022. Over the past year Anuj released the latest flagship title of the franchise – Real Cricket 22 and has previously helped Jetsynthesys with its gaming strategy also running Sachin Tendulkar’s official cricket game – “Sachin Saga Cricket Champions” in the past. Anuj has worked across a plethora of roles such Game Designer, Producer, Creative Director and worked with industry heavyweights such as Gameloft in the past. Mankar is a graduate of the University of Lincoln, UK with an honors degree in Computer Games Production.
