
Sameer Pitalwalla

Head of Gaming, APAC, Google Cloud

Sameer Pitalwalla is a digital media and technology entrepreneur, currently the Head of Games for Google in APAC. Before joining Google, he served as the Territory Head for Epic Games for ASEAN and South Asia. He also co-founded and served as CEO of Culture Machine, one of India's largest digital media firms, reaching 300 million unique audiences per month and 1 billion monthly views. He is a national award-winning film producer, one of Forbes 30 under 30 in 2017, and he holds three US technology patents to his name.
