
Varun Sharma

Co-Founder - Metaphy Labs

Varun has co-founded Metaphy Labs Pvt Ltd, a pioneering company that has been acquired by Jetsynthesys, a renowned gaming giant. Metaphy Labs utilizes proprietary AI algorithms to create extraordinary immersive experiences, pushing the boundaries of innovation in the gaming industry. The company specializes in hyper-realistic metaverses, virtual humans, and industry simulations. In addition to his role at Metaphy Labs, Varun serves as an investor and Non Executive Director at Memboro (Divinc Industries Pvt Ltd). Memboro offers comprehensive solutions for creators, helping them transform their following into influential brands.
