
Aditya Maurya

Co-Founder

Zelox Entertainment

Aditya Maurya has been a seasoned entrepreneur with stints in aggregator-tech, health-tech domain. Currently, he runs a gaming company called 'Zelox Entertainment' where they primarily focus on Game Development and products in the areas of mobile gaming, AR/VR, Blockchain Gaming. Under his leadership and holistic effort of his team, the then startup got selected in 'Core Labs Accelerator program from GSV Labs, Silicon Valley, California, United States' in 2016, where they happened to be the only start-up from India in the gaming domain. Moreover, there were certain awards under the company's banner like 'Winner of Game Jam Titans conducted' by NASSCOM in 2014, Finalist for 'Build Your Own Game', in the year 2014 and 2015. Selected as a 'Global Nominee' for 'NASA Space Apps Challenge' for a Virtual Reality Game called 'MARSIM'. and They even developed and launched a not-for-profit game called 'Mega 150' for 'Mr Chiranjeevi' – South India Movie Superstar Actor.
