
Charlie Idiculla

Head Business Development
Dubai Multi Commodities Centre (DMCC)

Charlie Idiculla has more than 12 years of business development expertise, including 7 years dedicated to investment promotion and trade facilitation. He has collaborated with various governments, including Hong Kong, Netherlands, Belgium, Oman, and Thailand, aiding Indian companies in establishing their operations across these regions.

Presently, Charlie holds the role of leading the business development team at the Dubai Multi Commodities Centre (DMCC) in India. His focus is on guiding Indian businesses, including those in the gaming sector, in successfully launching their ventures in Dubai.

In addition to his business background, Charlie holds a diploma in animation and visual effects from the Aptech Institute. During his leisure time, he indulges in sports-based games such as Real Cricket and Dream Team Soccer, showcasing his passion for gaming and recreation.
